

WBC Working Group Agenda for 22 February 2007 Teleconference:

1. Decide where/when of our WG meeting; options include:
 - a) At the US CLIVAR Summit
(<http://www.usclivar.org/summit07.html>)
N.B. By adjoining WG meeting to this event, we may have to limit the time of the meeting to 1 day as some of the WG members will already have spent several days in Annapolis.
 - b) At the AMS Air-Sea Interaction meeting in Portland
(<http://www.ametsoc.org/meet/fainst/200715isa14m.html>)
 - c) At one of our host institutions, e.g. Woods Hole, Boulder, U. of Washington, etc. Date to be determined.
2. Objectives of the WG meeting; decide the area/scope each member will cover/review during the WG meeting
3. Explore the information to be included on the WG's website,
<http://www.usclivar.org/Organization/wbc-wg.html>
4. Raise the awareness of the WG in the community
